

Docent Training Program Application

Harn Museum of Art

We welcome your application to the Harn Museum Docent Program. Docents at the Harn serve a number of museum audiences through a variety of tour programs. The rigorous and ongoing training makes this a long-term volunteer commitment (at least 3 years). Completing the New Docent Training Program and passing a final test tour are required for participation as an Active Docent.

Applications are accepted based on available space and an individual's ability to meet the program requirements. Once accepted into New Docent Training, an individual's participation is subject to a \$50 program fee and acceptable results of a criminal background check.
